I'm bout to sing you the best songs...

Lay Back Baby.
I got ya baby.
You like that baby.

Shes a nasty Girl
And she loves to sing.
Shes gotta real deep voice
If you know what i mean.
Shes got some big ol lips.
And some wide hips.
Shes got a real big knock.
That will turn you on.
Shes a sexy nasty girl
and she really loves to sing.
Shes been singing all her life.
