"Nasty Muzik"

Lay back, baby...
I'm bout to sing you the best song you ever heard in yo
life...
Umm...
Lay back, baby.
I got you, baby...
Watch this (watch this)
You like that, baby?
Good...
I intend for you to.

She's a nasty girl, and she loves to sang
She's got a real deep voice, if you know what I mean
She's got some big ole lips, and some wide hips
She's got a real big moan that'll turn ya on

She's a sexy nasti girl, and she really loves to sing;
She's been singing all her life, and she know how to
sing it right
If you want a nasty girl, I bet her love is guaranteed...
Ooh-oooh-oooh... wee-ee-ee...

Do you like my nasti muzik?
(I'm sanging to you... I'm sanging to you... I'm sanging
to you...)
She's a sexy nasti girl, and she really loves to sing
(She's sanging to you... she's sanging to you...)

Lay back, baby.
I'm gonna make sure you... enjoy...
My muzik...
Lay back, baby.
