What they do  
What they do  
They get drunk and they get loose  
Mix that goose with absolute than they turn to  
Prostitutes.

Thug mrs' and I'm lookin for a  
Thug mr. Big spenda, break bread like a real mister.  
Drop low to your knees boy, whistle on it.  
then put that wood on it, cut me like you paid for it.  
it's on you letme know if you really want it.  
you on goose, so I know you gun get loose.  
pop a pill, do what you been wanting to do, than make  
it rain like a mothafuckin hurricane.  
I hate lames if you want it, you gotta suck on it, get it  
rightif you want it you gotta bid on it.  
real thick and my suga got gold on it,  
spend on it make a chick wanna put her friend on it  
good neck good back ohh yeah I want it,  
slid on it make a chick wanna ride on it.  
hell naw nigga I scared of it.  
Thug mrs and gucci mane and you still want it.

What they do, what they do  
They get drunk and they get loose mix that goose with  
absolute than they turn to prostitutes

For about 100 dollas, she'll let cha come threw.  
200 dollas take her clothes of to.  
300 she'll be all on you.  
44 give a blow job til she turn blue.  
500 dollas she'll eat a girl to, jump the whole stack  
she'll do they whole crew.  
hoes get loose when the drink grey goose.  
she the coup on rims with thw big sun roof, you can  
bring your friend and your homegirl too.  
damn what you heard babygirl it ain't true, I don't like  
her girl I really like you,  
cause she already told me what she wan do, love it  
when you fresh and you wear perfume.  
everybody stare when I walk in the room.  
Chain frostbite like a new years eve but the watch the

on fire like the first day june

What they do, what they do  
They get drunk and they get loose mix that goose with  
absolute than they turn to prostitutes

Let me show you what a real boss chick do make ya  
feel real special  
when I'm on you slide low lay back and enjoy the ride,  
super wet cushin on the inside, water fall like a stream  
call me applethema,  
a real bad mama jama love it when ya beat it stay fresh  
stay tight pop it all night,  
I got that comeback strokin on it jus right, we can play  
hard it ya want to,  
don't act like you don't want it when you know ya do,  
it's real simple use your lips tha use your chin, do the  
pole back while sippin on milk.  
friuty peppers tastin like fruit loops, lovin what you do  
when you all on the goose.  
you lovin what I'm doin when I'm all on the goose.  
poppin on it get it lose and suck it to.

What they do, what they do  
They get drunk and they get loose mix that goose with  
absolute than they turn to prostitutes
