[Shemin]

I feel the pain in my heart I must ride  
I escaped but I won't lose my pride  
My horse shall lead my way to Andoria town

From there I can contact "great Gods"  
Spirits shall give me the power and force

I remember how God's slain to the ground  
Screams of pain and spilled blood all around  
I still hear his laughter of triumph in my ears

I no longer feel the power of ice  
Spirits will give me more strength to rise

To Andoria now I must ride  
(Now I must ride)  
And contact Great Spirits they are on my side  
I must find a way to survive  
(Way to survive)  
His powers are great but I must not hide  
The Spirits will help me to fight  
The glory of victory is in my sight  
Now hurry my horse, I must be there before the night  
I cannot fail  
After hours of riding, I'm lost  
Village of Elger please help me, you must  
[Amardon]  
I'm Sir Amardon I'm a man with honor and pride

I will lead your way into that town  
Farewell people my destiny's found

[Shermin]

To Andoria now we must ride  
(Now we must ride)  
And contact Great Spirits they are on our side  
We must find a way to survive  
(Way to survive)  
His powers are great; but we must not hide  
The Spirits will help us to fight  
The glory of victory is in our sight

Now hurry my horse, we must be there before the night  
We cannot fail
