[Delinom]

Gods gather in Dale
It's time to make the final move
Now I must not fail
If I fail my destiny's doomed

Now I see the circle of stones
One more step, and it is done

[Breton]

God of the earth
We got, the letter from you
So here we are
Is there nothing we can do?

[Tarine]

He is a fraud he's not Maegon
Run for you lives, he's Delinom

[Delinom]

By the power of the Spirits
I will use this sword

I'll become great powerful lord
I will hold the land of Cryon
No one will be saved
And I'll rule this world alone

I take the final place
I use my sword as a key
Lightnings and flames
I'm cold like a stone in the sea
I see Gods die before me
I've gained these powers, now you will see

By the power of Spirits
I did use that sword
Now I am great powerful lord
I will hold land of Cryon
No one will be saved and I rule this world alone

As I look all around me

I see bodies, dead bodies of Gods
They are drained, now I possess their powers
[Tarine]
Please let me live, take my land but let me live
[Delinom]
You were one of those who sent me to Dramar Now
Die!!
But where is Shemin, she cannot be alive,
If she is, she won't be for long.

[Shemin]
Now I've seen, how the end has come
My powers gone, it had been done
To the town of wind I must now ride
They heal my wounds, to shadows then I must hide
