[Emperor Maegon]

When I'm sitting and writing in my book
I sense the shadow behind me, (can't look)
I take my knife and I turn around

[Delinom]

I will rip out the heart from your chest
I will cut your throat I will send you to hell

Out in the Shadows I've lived all my life
Now it's time for revenge, this is a good day to rise
Through the daylight and darkness I rode with my
troops
Now this day has arrived when I will not lose
I will fight...

[Emperor Maegon]

I can feel the beat of my godly heart
I feel weak and I'm falling apart
Everything is dark, I can't see the light
My last battle has turned into unfair fight

[Delinom]

I will bury your corpse in the grave
Any last words to say? This is your final day

Out in the Shadows I've lived all my life
Now it's time for revenge, this is a good day to rise

Out in the Shadows I've lived all my life
Now it's time for revenge, this is a good day to rise
Through the daylight and darkness I rode with my
troops
Now this day has arrived when I will not lose

Out in the Shadows I've lived all my life
Now it's time for revenge, this is a good day to rise
Through the daylight and darkness I rode with my
troops
Now this day has arrived when I will not lose
I will get my revenge
