Waking up today  
Was just like yesterday  
The same clever minds  
To explain me how fÃ¢â¬â¢s my time

Disposable weak ties  
People I can fÃ¢â¬â¢t call mine  
Betrayals for my sake  
Values to buy for sale

It happened once again  
It fÃ¢â¬â¢s how a system fails  
When people can decide  
And think for now not then

To be a man fÃ¢â¬â¢s more than saying  
To be a girl fÃ¢â¬â¢s just the same  
A son needs mum and dad  
Not puppets who pretend

Welcome to a place where everyone can be who wants  
Going down, going down, down the drain to the  
unknown  
Modern time religion just the same as the old one  
Going down, going down, down the drain to the  
unknown

Waking up today was just like yesterday  
Didn't learn to pray, didn't find a new way  
No answers from your faith when I called my name  
You try to change it all nothing to change

Everyone fÃ¢â¬â¢s got a thought  
Opinions pushed and taught  
By stereotyped leaders  
Who use you like leeches

Everyone can wage war  
Without a reason sure  
And justify their crimes  
As due for better times

Welcome to a place where everyone can be who wants  
Going down, going down, down the drain to the  
unknown  
Modern time religion just the same as the old one  
Going down, going down, down the drain to the  
unknown
