Long ago I was drowning in my thoughts  
No place to run, nowhere to go (I need rock  
ÃfÂçâ, ÑÃœen roll)

One for the times it healed my soul  
Two when no one could hear my voice  
Three for my life has been my choice  
Four to be faithful all the time

Good days, bad days piled up on my way  
IÃfÂçâ, Ñ™ ve had enough, just give my dose (I need  
rock ÃfÂçâ, ÑÃœen roll)

Five for the times it turned me on  
Six when no one could read my words  
Seven for IÃfÂçâ, Ñ™ m one of a kind  
Eight to be faithful all the time

Long ago I was drowning in my thoughts  
I've had enough just gimme my dose  
Supremacy of rock

Said itÃfÂçâ, Ñ™ d change, but to me itÃfÂçâ, Ñ™ s  
still the same  
Just one way out, one place to go (I want rock  
ÃfÂçâ, ÑÃœen roll)

Nine for the times it saved my life  
Ten when no one could see my fight  
An entire world to fight against  
Fuck you if you donÃfÂçâ, Ñ™ t understand
