Ooh freaky kle is back
La la la la la
La la la la

Ain't goin nowhere
Girl I'm here to stay
Daddy's home
It's time to play

Turn off all the phones
My tongue wanna roam
On your body
Your body, let's get it on

I'm feenin
Ooh, I'm feenin
Ooh, I'm feenin
Ooh, I'm feenin

Girl you got me (I'm feenin)
Ooh, I'm feenin
Ooh, yeah
I'm feenin

It's been about a week
Since these lights been dimmed low
And I'm still having flashbacks
Of you on the flo

With your nails in my back
Moaning in my ear
Moved you to the dresser
Looking in the mirror

Seeing your face (ooh)
And my face (ooh)
Holding you (ooh)
By your waist (ooh)

Then I pulled your hair
And I smacked that shh...
You know I know how to make the sex last

So...

You know what's next when you see the whipped cream
Imma kiss you on your stomach
Then I climb between your knees
I know what you need, I aim to please

I ain't gonna stop til your legs start to squeeze around
me
Around me, around me, around me

Ain't goin nowhere
Girl I'm here to stay
Daddy's home
It's time to play

Turn off all the phones
My tongue wanna roam
On your body
Your body, let's get it on

I'm feenin
Ooh, I'm feenin
Ooh, I'm feenin
Ooh, I'm feenin

Girl you got me (I'm feenin)
Ooh, I'm feenin
Ooh, yeah
I'm feenin

You're fresh out the shower
Your body drippin wet
Slow songs playing
You know the move's set

Imma light this candle
Lay your body down
No this ain't a little kid
I don't play around

Cause it's time to get down
Time to get dirty
Girl you got the juice
And yeah I'm feeling thirsty

My words seem to turn you on so right
Been a long time
So tonight
Let's not even talk about nuttin else

Came over looking right
Put this on yourself
Cause you're lookin that bomb
And you know how that makes me feel

Assassinated girl
Yeah it's time for the kill
The kill, the kill, the kill, that they always want
Oh yeah

Ain't goin nowhere
Girl I'm here to stay
Daddy's home
It's time to play

Turn off all the phones
My tongue wanna roam
On your body
Your body, let's get it on

I'm feenin
Ooh, I'm feenin
Ooh, I'm feenin
Ooh, I'm feenin

Girl you got me (I'm feenin)
Ooh, I'm feenin
Ooh, yeah
I'm feenin
