Baby you da bomb
Baby you da shit
All day long
Got me thinking bout it

I love the way your curls
Cover your left eye
It's so sexy
Girl, I can't lie

You been teasing me
With those leggings that I like
They be showing off your curves
And your booty looking right

So, let me lay you down
Let me lay you down
Let me lay you down

Baby it's that time
I wanna make you mine
Start at your legs
Kissing you as I climb

Up your body girl
I wanna rock your world
Retouch your body
Baby trust me I've learned

What you like
How you like it
Don't try and run girl
Please don't fight it

Ima give it to you
Like you've never had before
Ready, set, here we go

Baby you da bomb
Baby you da shit
All day long
Got me thinking bout it

I love the way your curls
Cover your left eye
It's so sexy
Girl, I can't lie

You been teasing me
With those leggings that I like
They be showing off your curves
And your booty looking right

So, let me lay you down
Let me lay you down
Let me lay you down

Girl, you know I like it rough
Ima pull your hair
Ima smack it up
Ima lay you on your stomach

Gonna go dig deep
Girl, trust when I say
Girl, you gonna feel me

Let me slow one in it
Then I speed it up
Slow it down again
Then I beat it up

Girl, I have no idea
Why you'd even try to run
Girl, this is only round 1

Baby you da bomb
Baby you da shit
All day long
Got me thinking bout it

I love the way your curls
Cover your left eye
It's so sexy
Girl, I can't lie

You been teasing me
With those leggings that I like
They be showing off your curves
And your booty looking right

So, let me lay you down
Let me lay you down
Let me lay you down

Know that I love it
When you let me touch it
When you let me rub it, lick it, stick it
Yeah, yeah, yeah
