Ugh...

Ugh...

Ugh...

Hear the heartbeat...

Yeah...

Yeah...

Did ya miss me?...

You don't miss me... nah

You don't miss me...

You don't miss me...

Ugh... Ugh... Ugh...

What must be done?

Our hearts beat to a different drum,

And your voice ringing in my ears

Saying so much,

How you wanna make it work between us?

Played me like the keys on a piano

Now you need me, it takes two to tango.

Your alone...

And it's cold...

Now you need someone to console... you,

When the winter comes

Dude you and I can't depend on'em

A patna' and'em tellin you what the deal is,

You in a fake world and now you need a realist...

Person that you ever had in your life

Can't talk cause all we do is fight

And I've moved on girl I'm straight,

And I could give a damn less what you think.

(Chorus)

I'm so gone, so-so long,

Yeah yeah yeah.

I'm so gone so-so long,

Yeah yeah yeah.

I'm so gone, so-so long,

Yeah yeah yeah.

I'm so gone, so-so long,

Yeah yeah yeah.

Ugh...

What you expect me to do?  
Run in circles like a track star do?  
Blow up your phone,  
Hit you on your twitter,  
Your myspace,  
Your facebook?  
And beg for you?... nah  
That ain't the type of dude I am  
Cool down more love  
Let me get a fan  
Cause I'm about 2 seconds from going off  
Considering she got some foul shit coming out her  
mouth  
Just cause your super vision been clapped down  
Don't mean you can walk around my town,  
With your head held high gettin' fucked up  
Now you wanna apologize cause you fucked up?  
Nope, it don't work like that  
You're out of here  
You the ball, I'm the baseball bat.  
You're girls gonna say there wasn't reason for all that  
Unless you're really sincere you can go and fall back  
cause,

(Chorus)

I'm so gone, so-so long,  
Yeah yeah yeah.  
I'm so gone so-so long,  
Yeah yeah yeah.  
I'm so gone, so-so long,  
Yeah yeah yeah.  
I'm so gone, so-so long,  
Yeah yeah yeah.

Yeah yeah yeah...

Yeah yeah yeah...

Yeah yeah yeah...

I'm so gone so-so long,  
Yeah yeah yeah.  
I'm so gone, so-so long,  
Yeah yeah yeah.  
I'm so gone, so-so long,  
Yeah yeah yeah.  
I'm so gone, so-so long,  
Yeah yeah yeah.
