Look me in the eyes and tell me what you see  
If it's faith or am I just holding on  
Love me so close  
Don't ever let me go  
Cuz promises aren't meant to be broken  
At all

Let me be your sunshine  
Let me be your boo  
Let me hold you in my arms when those days  
Turn blue

Your love captured me when I thought  
Fairy tales only came in dreams  
But now is clear that I need you  
With me

Let me be your sunshine  
Let me be your boo  
Let me hold you in my arms when those days  
Turn blue

I'll look in your eyes and I'll tell you what I see  
I see that you finally want to be  
With me

I can be your sunshine  
I'll let you call me boo  
I want you close when those days  
Turn blue.
