{I'm so krispy, I'm so krispy
I'm so krispy, I'm so krispy
I'm so krispy, I'm so krispy}

I'm so krispy, I'm so krispy
My jeans nine hundred, shoes eight-fifty
I'm so krispy, I'm so krispy
My ice game make you haters wanna get me

I'm so krispy, I'm so krispy
I shine so hard that you broads can't miss me
I'm so krispy, I'm so krispy
When it comes to bein' fly you can't get with me

Dreads hangin' long down in Memphis on my grizzly
Gone for a second, now I'm back, did you miss me?
You can find me "In Da Club" but my name ain't 50
Kinfolk Kia Shine, look it's not a game with me

Been broke kinfolk, now I pop Cris-sy
You would do the same thang, if you knew my history
Haters see my champagne, now they wanna get me
The same dude they call Dusty, in V.I.P. krispy

Well my ice game right mayne, it got yo' wife choosy
I see ya Kinfolk Jones, look my life is a movie
You would say the same thang, probably if you knew
me
I'm 'bout to hit the dance flo', my song on excuse me

I'm so krispy, I'm so krispy
My jeans nine hundred, shoes eight-fifty
I'm so krispy, I'm so krispy
My ice game make you haters wanna get me

I'm so krispy, I'm so krispy
I shine so hard that you broads can't miss me
I'm so krispy, I'm so krispy
When it comes to bein' fly you can't get with me

Brown Louis logos with the Louis belt buckle
My style Universal, they gon' have to ship me double

Respect my fresh, it come to clothes, I'm the mayne
Shorty I'm the reason why you wearin' "Stunna Frames"

Respect my grind, playa I be e'rywhurr
I'm through buyin' Bapes 'cause I got e'ry purr
I ain't a trapper rapper, still a G from the hood
That Great China Wall, I spent a G on the hood

I got them year-up windows that come in the bucket
A house note on yo' jeans Shine? I don't care it's in my
budget
I really think you hatin' if you say I'm not fly
I'm extra krispy like a two-piece out of Popeye's

I'm so krispy, I'm so krispy
My jeans nine hundred, shoes eight-fifty
I'm so krispy, I'm so krispy
My ice game make you haters wanna get me

I'm so krispy, I'm so krispy
I shine so hard that you broads can't miss me
I'm so krispy, I'm so krispy
When it comes to bein' fly you can't get with me

My hair line krispy like I stepped out the chair
The **** got me feelin' like I stepped out the air
I keep your body zoned, money long as my hair
Ay watch your step Jones, these nine hundred a purr

(Damn kinfolk, man your shoes super hot)
I call 'em traffic jams, people see 'em and they stop
Check your dictionary I'm the fly definition
And my stones so clear they in high definition, bling!

Took twenty stacks, got a track from Play-N-Skillz
I ain't mad at 'em 'cause Universal pay the bills
Ol' Sylvia cut the check now it's time for me to rock out
And my release gon' be bigger than the day they let
'Pac out

I'm so krispy, I'm so krispy
My jeans nine hundred, shoes eight-fifty
I'm so krispy, I'm so krispy
My ice game make you haters wanna get me

I'm so krispy, I'm so krispy
I shine so hard that you broads can't miss me
I'm so krispy, I'm so krispy
When it comes to bein' fly you can't get with me

I stay outta town but I'm so true to Memphis

A head hearty chop with the new true religion
Chain on my wallet and my shoes is ridiculous
Whoever did your wardrobe, you dudes look ridiculous

Polo player, D.V.'s, Zoo addict
LaCroix don't make it if your boy ain't got it
Tennis shoe fanatic, I'm the traffic jam rocker
Closet full of shoes you can't find at Footlocker

Let me talk about where I live 'cause you know I dress
fly
Slats in my crib like I stay in Best Buy
I can flip styles like I flip hot cars
Look how I flipped from prep to rapper to rockstar

I'm so krispy, I'm so krispy
My jeans nine hundred, shoes eight-fifty
I'm so krispy, I'm so krispy
My ice game make you haters wanna get me
