Cut It  
You've  
Got Your Arm Around  
All The Rules Are Gone  
We're Gonna Get Away With Anything  
This Time  
And Whole Responsibility  
Lose All Your Sensibility  
Come On Let's Break The Law And Commit A Crime  
Alive And Kickin'  
(Let All Hell Break Loose)  
Alive And Kickin'

Time  
It's Standin' Still Tonight  
Shine  
All The Metals Gleaming Bright  
We're Gonna Get Away With Anything  
This Time  
Alive And Kickin'  
(Let All Hell Break Loose)  
Alive And Kickin'  
Alive And Kickin'  
(Let All Hell Break Loose)  
Alive And Kickin'
