Spotlights on, the curtains up
Wait for another battle
Where the conflict that resides is in me

My heart is screaming out
My lips are sealed shut
And so seems my fate
As the ending draws near

[Chorus:]
So give out all I have left
Just in case that you don't see
My heart is on the table
So give out all I have left
Just in case that you don't see
Can you hear this?
My voice is getting hoarse
And it's aching, I'm tired
It's taken it's toll on me
And all you have to say
Is next time I will be there
Next time I will be there
And I can't breathe

[Chorus]

You don't see
That I'm giving up my last breath
You don't see

[Chorus x2]

You don't see [x3]
