I'll try to keep myself in line
Because I know that's what she wanted
But you know I can't keep my hands off the side
Because I know just what she wants

Read between the lines,
Say something,
What are you waiting for?
You're only killing time
So look me up when you get over this
So look me up when you get over this

Call this whatever you want
But it's exactly how it seems,
No amount of pleading is gonna put the wrinkles in
these sheets
You can blame me all you want
Whatever it takes to please your mind,
I know that's all you're looking for
So why are you wasting time,
Are you wasting time
Read between the lines,
Say something,
What are you waiting for?
You're only killing time
So look me up when you get over this
And so look me up when you get over this

Now I swear I'm going to cover up
By the end of the night
Hey Foxy,
Are we having a good time?
Because it's all about the good times

Read between the lines,
Say something,
What are you waiting for?
You're only killing time
So look me up when you get over this

Read between the lines,
Say something,

What are you waiting for?
You're only killing time

When you get over this
