Iâ€™ve tied my hands together  
To keep myself from getting to you  
Because youâ€™ve gotten to me

If I had my way,  
Your insides would be out  
Burn the floor  
So I can finally see  
What youâ€™re made of  
That is then

What a mess  
I think Iâ€™ll take my best guess  
Thatâ€™s not hard considering  
The breath youâ€™ve held inside  
Youâ€™re already shamed me

So lose your fake grin  
â€™Cause you know you canâ€™t get to me  
Letâ€™s have your regrets  
And never second-guess ourselves again

Donâ€™t feel bad  
â€™Cause you know I donâ€™t  
Youâ€™re not the only one thatâ€™s been lied to  
So natural  
That Iâ€™ve been lying to myself so hard

And I can barely stand  
Do I want more  
When you can settle for less?

So lose your fake grin  
â€™Cause you know you canâ€™t get to me  
Letâ€™s have your regrets  
And never second-guess ourselves again

Catching on  
The life has little room for grins  
Catching on  
And when you do  
I, Iâ€™ve already been gone

Been gone

So hard

So lose your fake grin

Â‘Cause you know you canÂ’t get to me

LetÂ’s have your regrets

And never second-guess ourselves again

Again

And never second-guess ourselves again

WeÂ’ll never

WeÂ’ll never
