Somehow this weight has pulled me down here.  
I miss your wisdom and advice.  
Am i left spitting up this time again.  
How can i open all these eyes.  
So many questions left unanswered  
Left me bleeding will they ever get it.  
I'm outnumbered but i'm leading by example.  
Will they ever get it.  
You wanna go all the way.  
You wanna go all the way.  
You wanna go all the way.  
You wanna go.  
I wont forget you on that last day.  
There is no need for last goodbyes.  
I know in time i'll never see you.  
But you will see me through this life.  
So many questions left unanswered  
Left me bleeding will they ever get it.  
I'm outnumbered but i'm leading by example.  
Will they ever get it.  
You wanna go all the way.  
You wanna go all the way.  
You wanna go all the way.  
You wanna go all the way.  
You wanna go.  
If it's a game you play.  
They wont catch you you wanna go all the way.  
You wanna go all the way.  
You wanna go all the way.  
You wanna go.  
So many questions left unanswered  
Left me bleeding will they ever get it.  
I' moutnumbered but i'm leading by example will they  
ever get it.
