Every once in a while I feel like taking off
Taking off and I'm never looking back
Look myself in the eye
Truth it forces me to testify
Taking off and I'm never looking back
Don't look back

These hard days I (?)
To keep my flame lit within
Work from the bottom, freed at the ends
Gather the moment, (?) where I catch up with me
Inside it's my design, why sit by?
Waiting...Then I'll be empty
Won't you come after me?

Waiting for that open door means I still pray

Is it what it feels like?
Cannonball, fall, cannonball
[4x]

Every once in a while I feel like taking off
Taking off and I'm never looking back
Life is such a surprise
And I won't drown in these rough tides
Taking off and I'm never looking back
Don't sit by, waiting...
Then I'll be empty
Won't you come after me?

Waiting for that open door means I still pray

Is it what it feels like?
Cannonball, fall, cannonball
[3x]

Is it what it feels like?
Cannon
Fall down you (When I fall you)
Fall down you (When I fall you)
Fall down you
Fall

Is it what it feels like?
Cannonball, fall, cannonball
[2x]

Fall
Cannonball, fall, cannonball
Is it what it feels like?
Cannonball, fall, cannonball
