(I think that your gorgeous)
(You're all that's important)

I don't care who know's
That now it's you and me
Why they being so cold
Certain things I've been told
But there's no getting through to me
Because of what you do to me
You're all
That's important

There's no laws no rules were stated
And their opinions are very out dated
Then often stick their two pence in
She's a wrong'un and always has been
I'll stand proud and say it
I'll never need my mate to ok it
Until your head's enormous
Your gonna know that I think your gorgeous

I think that your gorgeous
You send me loopy loopy la
You're all that's important
To me, to me
And at time's I look in your eyes and I see
I think that you're gorgeous
You send me loopy loopy la

Well to me, to me
I think you're gorgeous
And I don't care who knows it too
You're what I want, you're what I like
I told those other girls later's on ya bike
And who cares what they told ya
We decide when this chapter's over
Forget their foolish stereotypical views

And now it's only right
That I compliment my lady
You're such a wonderful sight
I'm gonna keep on saying it and keep on saying it

And now it's only right
That I compliment my lady
I'm gonna keep on saying it and keep on saying it
