Sometimes the days seem to get me down  
Working hard enough but not making ground  
Every day I try to move on forward I keep on trying,  
trying

I know a time when my life will change  
When I lift my head I like to sing

I'm a winner (I'm a winner)  
I'm a succeeder (Hey)  
I'm a winner (I'm a winner)  
I'm a succeeder through this test

It's come to the time I've got to pick myself up  
'Cause nobody told me life would be tough  
My eye on the prize and now I go through torture  
I keep on fighting, fighting

I know a time when my life will change  
When I lift my head I like to sing

I'm a winner (I'm a winner)  
I'm a succeeder (Hey)  
I'm a winner (I'm a winner)  
I'm a succeeder through this test

I'm not here tryin' to give reason for ...  
Don't wanna ... with the .....  
And you start to think you're underachiev'in', yeah I was  
schemin',  
Listen ..., little do they know (Hey)

I know a time when my life will change  
When I lift my head I like to sing

I'm a winner (I'm a winner)  
I'm a succeeder (Hey)  
I'm a winner (I'm a winner)  
I'm a succeeder

I'm a winner

I'm a winner (Hey)  
I'm a winner  
I'm a winner

Nothing's gonna get me down now  
Nothing's gonna get me down  
Nothing's gonna get me down now  
Nothing's gonna get me down  
Nothing's gonna get me down now
