Pretty girls out walkin' down my street.
(With gorillas down my street)
From my window I stare at their curves,
I'm not sold!
(I'm not sold!)
Look over there! Where?!
There's a lady that I used to know (wolf whistle/cat call)
Married now, engaged or somethin',
So I'm told

Is she really goin' out with him?
Is she really gonna take him home tonight?
Is she really goin' out with him?
If my eyes don't deceive me,
There's somethin' goin' on around here.

Tonight's the night when I go to all the parties down my street.
I put my hat on backwards, kid myself,
I look real cool!
(I look real cool!)
Look over there! Where?!
There goes Paris with her new boyfriend. (girl's giggle)
They say that looks don't count for much,
And so,
There gpes your proof!
(Is she really goin'?)

Is she really goin' out with him?
Is she really gonna take him home tonight?
Is she really goin' out with him?
If my eyes don't deceive me,
There's somethin' goin' on around here.

Somethin' goin' wrong around there,
Somethin' goin' wrong around here,
Somethin' goin' wrong around here.

Is she?
Is he?
Goin' out around?

If looks could kill,
There's a man there whose marked down as dead.
'cause I've had my fill,
So listen you,
Take your hands from her hand.
I get so mean around this scene, now.

Is she really goin' out with him?
Is she really gonna take him home tonight?
Is she really goin' out with him?

Is she really goin' out with him?
Is she really gonna take him home tonight?
Is she really goin' out with him?
If my eyes don't deceive me,
There's somethin' goin' on around here.

There's somethin' goin on around there,
There's somethin' goin on around there,
There's somethin' goin on around there,
There's somethin' goin on around here.
