There's a photograph  
I take with me  
Everywhere I go  
Of Sydney streets  
And family  
I just realised there's no place like home

Going away  
Wish I could stay  
There's no place like home  
I don't know what to do  
I don't know what to say  
Holding on to hope and maybe

Somethings never change  
Today I'm facing the world alone (Oh)  
Somethings never change  
Walking down my yellow brick road

They say absence makes the heart grow fonder  
And I know that they're right  
Airports and long drives  
Phone calls and late nights  
The southern cross will guide me home

Going away  
Wish I could stay  
There's no place like home  
I don't know what to do  
I don't know what to say  
Holding on to hope and maybe

Somethings never change  
Today I'm facing the world alone (Oh)  
Somethings never change  
Walking down my yellow brick road

(Na na na na na na na na)  
Are you waiting for me?  
(Na na na na na na na na)  
Are you waiting for me?

(Na na na na na na na na)  
Are you waiting for me?  
(Na na na na na na na na)  
Are you waiting for me?

Going away  
Wish I could stay  
There's no place like home

Somethings never change  
Today I'm facing the world alone (Oh)  
Somethings never change  
Walking down my yellow brick road
