Somebody's in a promise that they made to be broken  
Do you ever wish that you could take back first lasting  
impressions?

Am I afraid of being happy?  
Am I afraid of being scared?

Never said it was a game for two  
But were still treated in that way  
So now I'll play it dumb like you  
While I'm digging my own grave  
For one last time

Should I make the same mistakes and teach myself a  
lesson?  
But greed has begot past regrets of what I had and  
what I lost then  
You're giving me a splitting headache  
So watch me leave alone

Am I afraid of being happy?  
Am I afraid of being scared?

Never said it was a game for two  
But were still treated in that way  
So now I'll play it dumb like you  
While I'm digging my own grave  
For one last time

This situation doesn't feel so random  
Guess that everything really does just happen for a  
reason

Am I afraid of being happy?  
Am I afraid of being scared?

So now I'll play it dumb like you  
While I'm digging my own grave  
Never said it was a game for two  
But were still treated in that way  
So now I'll play it dumb like you  
While I'm digging my own grave

For one last time  
One last time  
One last time  
One last time
