Endicott's up by five o'clock, Endicott's givin' all he got  
Endicott's job is six to nine but Endicott's home by nine  
o'five

Endicott helps cook the steak, Endicott helps put the  
plates

Endicott puts the kids to bed, Endicott reads a book to  
them

(why can't you be like Endicott ?)

Endicott loves Tribena so, Endicott puts her on a  
pedestal

Endicott's wish is her command but Endicott don't  
make no demands

Endicott's always back in time, Endicott's not the  
cheating kind

Endicott's full of compliment, Endicott's such a  
gentleman

(why can't you be like Endicott ?)

Cause I'm free, free of made-to-order liabilities  
Thank God I'm free cos it's hard enough for me  
To take care of me oh-oh

Endicott's carrying a heavy load, Endicott never really  
ever moans

Endicott's not a wealthy guy but Endicott pays the bill  
on time

Endicott's got ideas and plans, Endicott's what you call  
a real man

Endicott always will provide 'cause Endicott is the  
family type

(why can't you be like Endicott ?)

Cause I'm free, freer than a pirate on a frigate out at  
sea

Thank God I'm free driftin' all around just like a  
tumbleweed, oh-oh

Maybe I need someone, someone who isn't undone  
Maybe an older woman will tolerate me  
Maybe that certain someone older and wiser woman  
Maybe the perfect someone to satisfy me

Endicott keeps his body clean, Endicott don't use  
nicotine  
Endicott don't drink alcohol, Endicott uses no drugs at  
all  
Endicott don't eat any sweet, Endicott don't eat pig feet  
Endicott's frame is mighty strong, Endicott makes love  
hard and strong

(why can't you be like Endicott ?)

Endicott loves Tribena so, Endicott walks her to the sto'  
Endicott likes to hold her hand, Endicott's proud to be  
her man  
Endicott stands for decency, Endicott means formality  
Endicott's the epitome, Endicott stands for quality

Endicott, Endicott, Endicott, Endicott, our love will be.
