Hey  
Ma, ma, ma moo.

Hey  
Ma, ma, ma moo.

When the days change  
So does my attitude  
I'm messy at home  
I eat a lotta junk food.

When the nights change  
So do my nightmares too  
I dream reality  
Is my dream.

All along  
All along.  
I guess I'm meant to be alone

All along  
All along  
I guess I'm meant to be alone  
Out there on my own.

When the weeks  
Change.  
The rumors change too, I'm addicted to highs  
Would you like to know why?

When the months change  
So do my love point of views  
I don't want what I need  
What I need hates me.  
What I need hates me.

I know all along  
All along.  
I know I'm meant to be alone

It's crazy  
But all along,

All along.  
I knew I was meant to be alone  
Out there on my own, yeah.

Suppose him out the lying order(?), fell to end  
Who would be the villain?  
All the strangers, voting for him.

Suppose him out the lying order(?), fell to smile  
Who will be the villain?  
All the strangers, voting for him.

All along  
All along.  
I guess I'm meant to be alone.

All along  
All along.  
I guess I'm meant to be alone  
Out there on my own, yeah
