All year long
We wait for sun
At the beach
We come undone

Heyyy, hello world
Hello sweet summer cudder
Aint nobody rowdy
The cops wont hound me
The women of the women
Of the chucks im wearing
They slave through my artistry
Cant stop staring
So nice, swishers for the roll-up
The grape cigarillo
Little mama roll'em good though
Everybody chillin we aint worried bout shit
Everybody chillin we aint worried bout a thing

I understand life of the beggar
Lookin at the ocean
Oh shit this is way iller
Callin my mama
Tell her not to worry
Im a man in the wild
And the wild is the best
At they breast,
This might just be interest
My intentions all summer
Have certain just been missed
Mantain, they keep my brain sane
Very little ragin

All summer drinkin water
Trying to keep your eyes dry
Trying to keep your eyes dry

All summer drinkin water
Trying to keep your eyes dry
Trying to keep your eyes dry

All year long

We wait for sun
At the beach
We come undone

All year long
We wait for sun
At the beach
We come undone

Hey the stars are gone
Everybody come on
Come on come on come on
Come on come on

Hey the stars are gone
Everybody come on
Come on come on come on
Come on come on

All summer drinkin water
Trying to keep your eyes dry
Trying to keep your eyes dry

All summer drinkin water
Trying to keep your eyes dry
Trying to keep your eyes dry

Mmm aint worried bout a thang
Mmm give a damn we aint worried bout a thang
Aint worried bout a thang
Aint worried bout a thang
Everybody good we aint worried bout a thang
Everybody good we aint worried bout shit

All summer drinkin water
Trying to keep your eyes dry
Trying to keep your eyes dry

All summer drinkin water
Trying to keep your eyes dry
Trying to keep your eyes dry
