Yeah,  
Na-na-na-na  
Yeah,  
Cudda,  
Clipse  
Yeah  
This what it sound like, huh?  
This what it sound like right?  
Nigga

I'm so unstable  
I'm so unstable  
This the world I'm livin' in  
Filled with angels and demons  
I'm so unstable  
I'm so unstable  
This the world that I'm livin' in  
Filled with angles and demons

I was born on a pirate ship  
Hold your tongue to say that  
Super duper nervous all the time  
Never chill back  
Never caught slippin, even in my kicks made of ice  
All day, all day  
Lookin' forward to the night  
Feel like I'ma die any minute  
So I live on tracks beyond these limits  
Use the same theory when I'm partyin' and wippin'

I can hear 'em coming, the demons like to listen  
I trip out sippin, relaxed, stoned  
Never feel safe even if I'm at my home  
They can still find me, reminded all the time  
My damn she fine, hope she party all the time  
I could be your Eddy  
My dick is ready  
My lust takes over merging the hours  
Before I go sour, I step back and look at the evils  
Got me token most cats be shaken

I am so unstable,

I am so unstable,  
It's the world that I'm livin in  
Filled with angels and demons

I am so unstable,  
I am so unstable,  
It's the world that I'm livin in  
Filled with angels and demons

I am so unstable,  
I am so unstable,  
It's the world that I'm livin in  
Filled with angels and demons

I am so unstable,  
I am so unstable,  
It's the world that I'm livin in  
Filled with angels and demons
