"Been leaning for A minute know I spit It can't come up  
in the booth it's too explicit now if I wrote It Or written I  
will still get It people should know It I'm hotter I will  
admit It I put my hand up hey teacher I ask a question I  
got somthing for sucka haters that need A lesson I Ain't  
playin I Ain't guessin I'm Smith & Wesson I'm pure  
human form homie I hear them blessin bless your gone  
I hit you on just tell me what'ch your on yeah I run on  
and I will catch a breath to try to say I dont inhale man  
there's nothing left I throw the clip In your face If you  
ever wanna come test me ask about a sucka hater man  
they don't want ya the young boy double O represent  
the ask chip I get It In homie off the rip everytime I'm  
freestyling off the dome I need the corona and the  
b\*\*\*h will probly get me gone wa wa wa wautch you on  
I tell them you three and 808's N' dropping man on the  
moon those sucka's cannot hate I'ma get those  
grammy's and stack them Ima get them grammy's and  
stack them and give them to my momma my daddy up  
above looking down there's no more drama see what  
we doing dropping bombs salut me like obama hey  
man's know me tag along tag along my bathing ape'as  
I got it coolin man I'm rollin fast ya knowin how we do it  
ban down sucka pass if you know it hey hey the money  
we will spend it hey my life my dreams homeboy I'm  
living in them you know how we rocking cheaf Wa'who  
is on the fit it I I'm up in the booth I should be up in the  
guinness hey i rap i should be up in the guinness hey  
hey I'm innovative i should be in the guinness for  
ripping the ill'est and the newerish spittin you know how  
we rippin with me and Drizzy hayy hahahaha Drizzy  
hayyyy hola"
