Ay  
Yo a few new stations put me in rotation  
They've embraced the Martian  
Congratulations  
Now my knots are too too thick  
Broskies runnin up askin me  
To do their favorite hit,  
But finesse spit a verse and occasionally I put out  
Strike a cord and you can thank the lord  
As I go in between the glits and the glam  
Listen my submission is the wishes of the fam  
Oh, as a segway I am alone  
I'm chillen with mine and now you should get your own,  
Smokin my weed because its therapy for me,  
When everything seem beat cause the devil's off the  
seat,  
You, me, I, fly, you can't be me because your flow is to  
shy.  
I know I'll be the man  
If I go pull the plug on the auto tune  
But I can't and that's bugged
