(Verse)

Element of the surprise  
Such a spectacular thing I cannot, lie  
So many things people wanna limit you to be  
I show you a glimmer inside the spectrum of the wizard  
Well known as a getter and a nigga with a plan  
The nigga did the come out they mouth so sad  
When I smash wipe the smirk off their face, my bad  
Who bad, I am, my dad raised one hell of a man  
And the livin I had to throw in the bands,  
Still don't feel appreciated and not by my own fam  
All good, I'll be tucked away in them shadows  
Workin' in sweats solve the riddle and soon I'm ready  
for battle  
Move my fans with my love and they move me with  
theirs  
We unified by the dark and middle fingers in air  
Come on who gon' go half on a zone  
Oh, thought I would be done off the coke, no  
Let me tell you something ho  
Been said everything that shine ain't gold  
Been skeetin' on pretty faces then my heart switched  
cold  
Been the nigga sittin' in hell in fresh ass clothes  
I know what it feels like to have a broken nose  
And ain't nobody hit you in it  
It's really cause that shit that you snorted and put all in  
it  
That time you thought I was finished no I just  
experimented  
And it helped me adjust and be ok, with being  
demented  
By the way nigga these cars ain't rented I give a fuck  
who sees  
So I don't bother rollin' tinted look who the fuck it be  
That's candy Cleveland niggie I stay reppin' my city  
bitch  
Been smoking on Joker, cutter had the itch so I scratch  
So please no more speculation bout that  
Burn baby burn, truthfully and noted  
IÂ'm back, so please no more speculation bout that

Burn baby burn, truthfully and noted  
Iâ€™m back

(Hook)

Niggas think Iâ€™m living life paranoied

Motherfuck them, maine  
I just wanna watch er burn baby burn  
Baby burn, baby burn  
Niggas think Iâ€™m living life paranoied  
Motherfuck that, maine  
Boy they got me twisted, they donâ€™t know that, boy  
Motherfuck that, maine  
Iâ€™m just getting busy, killin it, Iâ€™m getting busy  
Motherfuck them, maine

Baby burn, baby burn
