"Cuddersback"

Yeah
What's up?
Mm-hmm.
Nigga.
Yeah it's me. (Haha!)
Yeah
I'm back baby
Cudder.

Ottoman couch, how handsome your furniture
Lovelier now, but dressed for a funeral
Begging you to sit for a portrait on the wall
To hang in the dark of some parliamentary hall

Stay home a lot, no TV
Just thoughts, and a heap of good weed
Same jeans, same old converse,
Bape tees and the Walees, so works
Im cool, some niggas mad at it
Lookin in from the outside, fantastic
Cant keep that negative alive
They be on my dick
If Kid Cudi die don't cry hater
I forgive
Now go and get my album and get off my dick
I smile and I'm pleasant
The weed is the essence
But if I'm in the club, we gonna tear shit up
I'm talking about shots, ridiculous amounts,
cause If you're gonna rage, should be all about
Take, take another shot or you're soft
Dream on campaign I'm the mother loving boss
Haters suck my balls, two time
I never say goodbye because I'm on mine
All my life, wanna do something major
Now every little thing I do might make it in the paper
Cudi found y'all nigga, po-po (whatever)
Mad drunk in the street, no photo (I rage)
Hatin motherfuckas, I dont know yo
I guess this was the life I chose

Wanna get up in my mind,
Wanna know about me and Amanda Bynes (Amanda
please)
Wanna know really, really, really who I'm dating
Is she civilian or super duper famous? (hmmm)
Is she African American, Caucasian, or Asian? (so
many)
Or maybe Spanish, it don't matter my nigga, I love
them all.
As long as she don't need stupid amounts of makeup
To make up the self esteem
Selfish dreams can reflect the blessing
I am tap dancing on a cloud
Successful raps, I might scream out loud
Putting it down, for all I met
Talking fans, I wont quit
I'm putting it down, for all I met
Talking fans, I wont quit
Hey hey hey, whoa whoa whooa! (come on, come on)
Hey, whoa whoa whoooo! (come on, come on)
Hey, whoa whoa whoooo!
Hey, whoa whoa whoooo!
Na na na na na na na
Goodbye.
