Yea

[Verse 1]

Whoa, Nellie, I don't even think they ready
They flow is too shitty, not me I can't get wit it
Gon wit it, Kid Cudi the illi, rep my city
In the navy blue Cutlass, no roof above him
Hoes, they love em, model girls I cut and fuck em
Hey, I rep that double-O, you ain't on the ho
I got my man Chip the Rip, wit a Spanish bitch takin'
flicks
And she gon take a lick, yea mami
Later on we gettin' sushi, mami eatin' at her mami
West coast so I'm ghost, holla at my nigga Travie
We wheelin', pick up the Heroes or the Gym Class
topping
The charts with the art that exhibits couldn't exhibit
The grizzle, I live it, run passed the timid livin'
In the bubble, keep the number when I mumble (?)
Wit skill, red-rum them tryinna figure out him
Baptize myself in the river of Henn-essy

[Chorus 2x]

Open up your heart and
You will understand me
Fall into the music
And let yourself go

[Verse 2]

Go, go (?)
Do you (?) you shall receive wit a sea
Deep in the realm if you felt like you were alone, no fair
Salute the underdog, I am here in the clear
Over there, niggas ain't diff, what if
I was them, I would be a symbol of dopeness
Will ever, ever be my aura
Steve Urkel nigga lookin' for a Laura
Proceed, I am the one, to cliché, you call me Neo
If anything dope has arrived rap wise as far as overall
killin'

Body, embody him (?) to accommodate the (?)
My heart is titanium alloy
So if you come up with ploys to destroy my passion
I'mma tell you now you are better off passin'
Stop writin' checks that your ass can't cash in, bro...

[Chorus 3x]
