(kid voice;

C'mon feel the noise, don't stop the boys,

They get wild wild wild, wild wild wild)

(Cudi laughin)

Yeaaa

V1

Step it up, let your neck snap back huh

Sattle up, baby girl put ya hair back

Hurry up barkeep, keep the brew comin

Tryna drink til my back starts slumpin

Like old man, live by the old rules

Followed all the steps from them old fools

Got me nowhere, nigga its a different time

Fuck 08, niggas thinking 09

I take a look behind. Niggas cant form a line

Like kindergarten waitin for the water fountain

Standin upset, arms crossed, poutin

Scott Mescudi, boy they was doubtin him

Until they googled me and found Imeem

They love a duder, they love me I mean

I cant believe how I had of dream of Martin King

But they aint takin me out on no balcony

(kid voice saying ;

C'mon feel the noise, don't stop the boys,

They get wild wild wild, wild wild wild)

uh huh

Yea. Emile what up nigga

V2

Stand up put ya arms to the ceiling man

Show skin baby girl, yea Im a fan

Wont do you wrong, like a pushover

See my cudl ridin thru, better pull over

Like I got blue n red lights shinin round

But if I see the man, slowly put the cup down

How you doin, officer? Nice mustache

Dunkin Donut eatin motherfuckers hatin, damn

I get my Speed Racer on

Playin Ray Cash get my Cleveland city on

Brooklyn to Cali jetlagged and all

But still enough time to hit the mall, shit

One wish when Im deceased

Bury me in 501s and 10 Deep

And please keep the Bapes on the feet
So I can watch the devil ice grill me
Haha! Yea, how you like a nigga now
