Jones, We were born to die (for real), so i get high just like i'm born to fly (to the moon) I'm in the court with marijuana eyes (sorry judge) .we hit the clubs until the mornin rise (cuz of last night), cuz day and night (day and night) we run the streets so that i don't pay that price(pray for me) they got the nerve to tell me to press my brakes (what?) and if i do i won't rank ya pay-ay (tell me)

so now im thinkin dat (wats ur thoughts) 200 stacks wouldn't bring me back (thinkin a flip)especially now that recessions here (it's hard out here) my only answer to my question is is (u figure it out) ok now heres a thought ( one more thought) streets is a marriage you can't divorce (eww) life is a bitch but i think i fell in love (i love dat bitch) so i treat the game just like i'm sellin drugs drugs (block is mine)

(Chorus)

cuz day an night the lonely stoner seems to free his mind at night  
he's all alone thru the day and night  
the lonely loner seems to free his mind at night  
cuz day an night the lonely stoner seems to free his mind at night  
he's all alone some things will never change  
the lonely loner seems to free his mind at night

Day and night i toss and turn i keep the stress in my mind (mind)  
I look for peace but see i don't attain wat i need for keeps in this silly game we play  
now look at this madness to magnet keeps attracting me me  
i try to run but see i'm not that fast  
i think the first will surely finish last last

\*Chorus\*

Hold the phone the lonely stoner mister solo dolo  
he's on the move can't seem to shake this shame

within his dreams he sees the life he made

the pain is deep, a silent sleeper you won't hear a peep  
the gurl he wants don't seem to want him to  
it seems the feelin she had are thru

slow mo wen the tempo slows it creates that new new  
he's seems alive tho he is feelin blue blue  
the sun is shinein man he's super cool cool  
the lonely nights they fade away he slips into his white  
nik's  
he smokes a clip then he's on his way  
to free his mind in search of, to free his mind in search  
of, to free his mind in search of  
cuz day an night the lonely stoner seems to free his  
mind at night  
he's all alone thru the day and night  
the lonely loner seems to free his mind at night  
cuz day an night the lonely stoner seems to free his  
mind at night  
he's all alone some things will never change  
the lonely loner seems to free his mind at night
