(Verse 1)

My head is always busy  
Stuck in a-Stuck in a-Stuck in a place I've been way far  
too long  
It's not paranoia  
I'm stuck in this hell  
In this shell, I'm surely locked away losing who I is, in a  
coma  
Tell me how to fix it cuz baby I have tried it all  
Where did I go wrong, or out of order?  
Doctor give me help, can you help me Dr. Pill

(Chorus)

Oh feelin strange feelin strange feelin strange  
Oh feelin strange feelin strange feelin strange

(Hook)

Wake up in the mornin' feelin iffy  
(What is goin' on with me?)  
When I look in the mirror I don't know who this dude is  
(Starin' right back at me)  
Dr. Pill, Dr. Pill give me somethin' I'm feelin' I'll now  
(What can you prescribe for me?)  
Cuz When I look in the mirror I don't know who this  
dude is  
(Starin' right back at me)

(Verse 2)

I admit I have been slipping  
Stuck in a-Stuck in a-Stuck in a human like cell  
And it's got legs and arms  
It's not me talking bro that is my face  
I have not known who that face belongs to in a while  
Keepin' composure  
Tell me what to do cuz just talkin' it ticks me out  
I want to turn me down  
I'm out of order  
Doctor give me help, can you help me Dr. Pill

(Chorus)

Oh feelin strange feelin strange feelin strange

Oh feelin strange feelin strange feelin strange

(Hook)

Wake up in the mornin' feelin iffy

(What is goin' on with me?)

When I look in the mirror I don't know who this dude is

(Starin' right back at me)

Dr. Pill, Dr. Pill give me somethin' I'm feelin' I'll now

(What can you prescribe for me?)

Cuz When I look in the mirror I don't know who this  
dude is

(Starin' right back at me)

Wake up in the mornin' feelin iffy

(What is goin' on with me?)

When I look in the mirror I don't know who this dude is

(Starin' right back at me)

Dr. Pill, Dr. Pill give me somethin' I'm feelin' I'll now

(What can you prescribe for me?)

Cuz When I look in the mirror I don't know who this  
dude is

(Starin' right back at me)
