Hmm hmm, hu hu hu hm hm hmm, hmm hu hu hu hm
hmm
How would you feel if you heard the news that I was
dead?
What would you do if you found out from your friends
that I was dead?
Would you cycle through your mind, think of all the
things you shoulda said, or coulda did differently?
If I was dead
I'm just trying to say life is too short
Though I make mistakes baby I'm trying to make it right
All I'm trying to say is life is too short
All we got is love baby and the time to make it right
...If I'm alive that is
hm hm hmm
...If I'm alive that is
Do you think of me, at all?
Whoaaa at all? at all?
Would you think of me, at all?
Hmmm at all? at all?
Who would you talk to?
Who would be your friend if I was dead?
Who would you run to?
Who would kiss your face if I was dead?
Would you cycle through your mind, think of all the
things we could've had
Seen things differently, if I was dead
I'm just trying to say life is too short
Though i make mistakes baby im trying to make things
right
All im trying to say is that life is too short
All we got is love baby and the time to make it right
...If I'm alive that is
Hm hm hmm
...If I'm alive that is
Do you think of me at all?
Whoaaa at all? at all?
Would you think of me at all?
Hmmm at all? at all?
Goodbye.
