"Embrace The Martian"

(feat. Crookers)

Ixnay on the bullshit man
When I roll back to Cleveland
I can't believe them
Sounds of the nonbelievers, outcasts
Till I'm under before it did hurt
Now I can overstand how you could just miss the front
on
Ask me how I feel about the ones with closed eyes
Mouth words how I feel exactly
Aw fuck that
I don't give a damn I met one hater
Talkin' down
Don't be afraid at all y'all
All I ask of y'all is to please

Embrace the martian
Embrace the martian
I come in peace
But I need y'all rockin' with me
Please
Embrace the martian
And this is how it sounds

See I must tell you all now
Keep on acting funny
Cool with me
I am here to trace that
How ya thinkin' often and its startin'
I am here to show you how it feels to be new
Look at what I made true god to teach you
Honest been insecure cool
And you are cool
But I'm havin' heavy amounts of
Malarkey mixed with garbage
I am it dog
Don't be afraid of all y'all
All I ask about y'all is to please

Embrace the martian

Embrace the martian
I come in peace
But I need y'all rockin' with me
Please
Embrace the martian
And this is how it sounds

Embrace the martian
Embrace the martian
I come in peace
But I need y'all rockin' with me
Please
Embrace the martian

Licensed to ill
I promise I won't turn the whole world to Cloverfield
On the real, yeah I will
I'll destroy it and then rebuild
Just for thrills
Sometimes you got to do it
Sometimes you show the tough love
No one is above what you are hearin' now dude
No matter who else included

I'm saluted
I'm saluted
No matter who else included
I'm saluted (Yeah, Yeah)
I'm saluted

Oh
Whether you appeal
Or not
This is the real
We'll recognize real
You
You are me
Like it or not
And I
I am you
You
You
You

Embrace the martian
Embrace the martian
I come in peace
But I need y'all rockin' with me
Please
Embrace the martian
And this is how it sounds

Embrace the martian
Embrace the martian
I come in peace
But I need y'all rockin' with me
Please
Embrace the martian
And this is how it sounds

Oooo
Oooo
And this is how it sounds
In my mind
Ooooo
