You to try this with me. it's cool, don't worry."

HOOK

Get ready

Pop it,

Lets go

Enter galactic you and me

Enter galactic you and me

Get

Ready

Pop it, lets go

Enter galactic you and me

VERSE 1

I once use

To dream of peace

Until I found you

Once upon a time baby

I once

Use to dream so sweet until I had a taste of you

Once upon a time baby

Reaching out to outer space dancing to awesome sounds

This all new to

You

I'm reaching out to hold you close so I don't slip away

Explore a

New approach

A whole new free I'd say

HOOK

Get ready

Pop it, lets

Go

Enter galactic you and me

Enter galactic you and me

Get ready

Pop it, lets go

Enter galactic you and me

Get ready

Pop it, lets go

Enter galactic you and me

Enter galactic you and me

Get ready
Pop
It, lets go
Enter galactic you and me
VERSE 2
I know it's easy to imagine
But it's easier to just "do"
If you can't "do" what you imagine
Then
What
Is imagination to you?
Just a waste of space in your brain
To take
The place of hate
Or things all the same
Tell me your secrets
The things
That make you tick
I like when you talk
Because your voice is angelesque

Aye
I want to kiss you on your space below your navel-ette
The
Place that you keep neat
So moist like
A towelette
This will mark the
Day
Our minds and souls will connect
Lets not forget the sex
My heart
You can collect
Now
Now
Now my heart you can collect
Now
Now
Now my heart you can collect
Now
Now
Now have just one more cap
Babe
Babe
Babe
Have just one more stem babe
BRIDGE
Pop it
Ready
Go
Let it

Take take take takeover
Get ready
Pop it
Lets go
Get ready
Let let it take you over
Get ready
Pop it
Lets gooooo
Take
It
Just let it
Take take you over
Get ready
Lets go
Lets go
Hey
