[Kid Cudi]

She said I don't spend time like I really should
she said she don't know me (anymore)
I think she hates me deep down
I know she does
she wants to erase me
hmmmmm
a couple days no talking
I've seen my baby
and this what she tells me
she said

[Chorus]

I keep on running, keep on running
and nothing works
I can't get away from you
no, I keep on ducking keep on thucking your nothing
else
I can't stop missing you

[Kid Cudi Verse 2]

It's like I'm her new nightmare
she ain't escaping
it makes me feel a bit complete
knowing someone you love don't feel the same about
you
memories they soon delete
Hmmmmm
a couple weeks no talking I seen my baby
i missed you so damn much
I wish we could start over
I told my baby
This what this b-tch tells me

[Chorus]

[Bridge]

Cause I'm in the magazines
on the tv
no matter where you are you might hear me
I'm in the magazines

on the tv
no matter where you go you might see me

[Kanye West]

Uh, I'm Yeezy

she said Hi I'm (Aria)

No! You an angel you wave hi to Aaliyah

I got a show in Korea

they built a new arena

why don't you come watch it and tear the whole scene

up

I know I've seen you before but don't know where I've

seen ya

oh I remember now, it's something I that I dreamed of

Don C said she cool but don't let her f-ck ya cream up

Monica Lewinski on ya dress take ya to the cleaners

sure enough one week later I'm in extra love

let everybody know she mine so she extra club

every bouncer every club show her extra love

we just praying the new fame don't get the best of us

but all good things gotta come to an end-a

she let it go to her head, no not mine-ria

the height of her shopping was writers blocking me

I couldn't get my sh-t out anyway, I hope (you die aria)

[Chorus]

P-M
