Yeah (that's right, let's go)  
Yeah (let's go, let's go)  
Yeah, yeah  
Yeah  
Yeah (I'm extra good)  
Yeah, yeah

I smoke I drink I do my thing  
I'm livin' in my own world  
And if they hate I let them  
Who gives a fuck?  
Anyone who know about what I do  
I'm livin' in my own world  
I chill back and I  
Spread peace and love, yeah

Have you ever led an alliance?  
A bunch of stoner kids livin' life through defiance  
Remember back when couldn't cop not one damn  
appliance  
White tee, wrinkled and a mug  
Adopted my mothers luck and quick wits  
So I spy me a bobbin' head bitch from a mile away  
Girls stay a mile away  
Do the single lady dance by them other motherfuckers  
Nah mean?  
And why it gotta be about the ride, ride  
At the bar place upon my car in the lot  
And I'm blowin' smoke and the dro when I know my  
loans  
Got me thinkin' huh? Where's plain pat at?  
All I really know is that go time is about more than a  
night  
Go now I feel a slump  
You can't judge me cutie, I'm wreckless  
I got some mysteries that's confronted when the blunts  
lit

I smoke I drink I do my thing  
I'm livin' in my own world  
And if they hate I let them

Who gives a fuck?  
Anyone who know about what I do  
I'm livin' in my own world  
I chill back and I spread peace and love, yeah

(Snoop Dogg)

First off, fuck all the clones  
Can I shoot a shoutout to all the stoners?  
No fingerprints, these isotoners  
I'm still buyin' half Ps up off the corner  
A nigga on one, better yet I'm on two  
Whatchu waitin' on, blaze up, you want to?  
Shake and take, get cakes they can shape and scrape  
Got the whole world talkin' bout snoop  
We wanna wake n bake  
Well lets go  
Kid Cudi, my buddy, he got the best smoke  
MCs n Gs yeah this the west coast  
They say trees is trees, nah, that says low  
Let me deafly originate so you'll appreciate  
The state of mind  
When I'm flyin' high through the friendly skies  
Open up your eyes and recognize  
Mothership connection connected  
Yeah, we gettin' hella high.

I smoke I drink I do my thing  
I'm livin' in my own world  
And if they hate I let them  
Who gives a f-uck?  
Anyone who know about what I do  
I'm livin' in my own world  
I chill back and I spread peace and love, yeah

I said  
We shinin'  
We rollin'  
We sippin'  
We smokin'  
We livin'  
We happy  
They mad  
They mad

Fuck em.

I smoke I drink I do my thing  
I'm livin' in my own world  
and if they hate I let them  
Who gives a f-uck?  
Anyone who know about what I do

I'm livin' in my own world  
I chill back and I spread peace and love, yeah

I said  
We shinin'  
We rollin'  
We sippin'  
We smokin'  
We livin'  
We happy  
They mad  
They mad

Fuck em.
