This is me and my niggas, my family
And people that care about me, my fans
Fu** all these other niggas

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
It's not my style, no lie
Fu** all the talk, in time
They'll burn

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
Its not my style, no lie
They'll never take me alive
King Wizard!

You love that
Little bit of new, now throwback
Cleveland City snakeskin snapback
Niggas know that uniform, keep the brim low
You doubt him, don't know a damn thing about him
What is hip hop without him, y'all niggas just really
don't know
Go, all day, every day, hold on with all might
I gave the world my heart and they gave the kids
insight
Yup now fu** you I ain't left
I'm outta my mind like all the time
And a nigga ain't missed one step

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
It's not my style, no lie

Fu** all the talk, in time
They'll burn

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
Its not my style, no lie
They'll never take me alive
King Wizard!

My head hurt
Gotta give me something that'll make me feel good
I remember
Couldn't tell a nigga nothing, man I wish you would
Niggas ain't working, like me
I had to put my bill in
All this rose gold I'm dipped in
Dressed in coat
While I coast in clouds
That's my life babe, crystal clear, no cascade
I'm going, going I'm on a crusade
To save the kids from the weak shit
It's finally gonna be my world
Here all the girls can be my girl
Just sit back count stacks girl
Hold a nigga down all the time girl
What up?

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
It's not my style, no lie
Fu** all the talk, in time
They'll burn

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
Its not my style, no lie
They'll never take me alive
King Wizard!

I can't decide
Why their life's a lie
I can't decide

Why their life's a lie
In time
They'll burn

I can't decide
Why their life's a lie
In time
They'll burn
In time
They'll burn
In time
They'll burn

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
It's not my style, no lie
Fu** all the talk, in time
They'll burn

I can't decide
Why their life's a lie
I push the lames aside
They'll learn
I can't ever front, know why
Its not my style, no lie
They'll never take me alive
King Wizard!
