Blah blah blah blah, Blah blah blah blah

Yeaaa...

What you gon' say to me,

Hmm you wanna tell me something

Then Let it please be True, Now what you Want From Me..

Nevermind Dont say A thing to me, I wanna see whats in your eyes

See I never lied, Hmm Will I be satisfied?, Will you complete my life?

The blueprint to peace, The solution To love I found You, Now Will you be True..

(hook)

Ooh if you love soft, then you already lost

But ooh if you love hard, you should Let Down Your Guard

And Follow your heart, follow your heart

Follow your heart, follow your heart

NnnnNow what You say to me

Girl if you get mad at me, And we lost our groove Will you build Me up?

Ohh just to break me down, I need me some stability and Consistency

Now will you promise me, I promise ill agree your life Its the blueprint to peace, The solution to Love

I can protect you, If you Protect me too..

Ooh if you love soft, then you already lost

But ooh if you love hard, you should Let Down Your Guard

And Follow your heart, follow your heart

Follow your heart, follow your heart

Yeaa

Do you love me?

Now Wait now tell me? Do you love me?

Yeaa

Love hard
Love hard

Ohhh if you love hard
Ohhh if you love hard

(Hook)

Ooh if you love soft, then you already lost
But ooh if you love hard, you should Let Down Your
Guard
Follow your heart, follow your heart
Follow your heart, follow your heart
