INTRO I never gave a fuck  
i never gave a fuck about what niggas thought about  
me

I mean I did but like, fuck it  
you know what im sayn  
you gon' love me mane

VERSE 1: they can't comprehend  
or even come close to understandin' him

I guess if i was born  
they would love me more  
Guess if I was simple in the mind  
everything would be fine

maybe if i was a jerk to girls  
instead of bein' nice'

And speakin kind words

Then maybe it would be OK to say then

I wasn't a good guy to begin with

VERSE 2:

But my mind is all crazy, crazy, crazy, crazy  
they got me thinkin i ain't human  
like i came in from above, above, above, above  
like an airplane in the sky

but then they say im crazy, crazy, crazy, crazy  
they got me thinkin i ain't human like i came in  
from above, above, above, above  
feelin' like a bird sittn' high (high)

CHORUS i be that man on the moon

i'm that man on the moon

and imma do what i do

so do you (hey hey)

i be posted with my blunt and a brew  
my dude

i'm that man on the moon

i'm up, up on the moon

VERSE 3: (it's like uh, imma play all my stuff fo'  
erybody'

you know, and all my people'll give me feedback  
you know, and they'll be like "yo, why yo shit sound so  
different'you know what im sayin? why-why it sound so  
differnt?"

like its a bad thing

and i be like "Why not, nigguh?"

VERSE 4:

Close my eyes, hide in the dark

it's a curtain call, come one

come all

all i do is try to make it simple

the ones that make it complicated

never get congratulated

i'm somethin' different

all aspects

Don't want a woman, just to love her assets

i still wife her up even with her flat-chest

the type to get hurt

but thats a past tense

VERSE 5:

and my mind is all hazyx4

i be thinkin that im wrong

cuz they used to call me lame, lame, lame, lame

my swag was a little different

but then my mind is hazyx4

i be thinkin that im wrong

but they the ones who lame, lame, lame, lame

i got the last laugh nigguh (nigguh)

Chorus

i be that man on the moon

i'm that man on the moon

and imma do what i do so do you

hey,hey

i be posted with my blunt and a brew my dude

im that man on the moon,

im up up on the moon
