(Paint the black hole blacker)
(Paint the black hole blacker)
I swear to tell the truth
(Paint the black-hole blacker)
The whole truth and nothing but

(Paint the black-hole blacker)
(Paint the black-hole blacker)
Yes
(Paint the black-hole blacker)

Hey, I am the maniac, I am the ghoul
I'm in the shadows in the corners of my room
This my new hideaway, this is my tomb
This is my coffin, this is my place for unruliness, no
worries

I love the darkness, yeah, I'd like to marry it
It is my cloak, it is my shield, it is my cape
I love the dark, maybe we can make it darker
Give me a marker

I am a maniac
I am a maniac
I am a maniac

I am the maniac, I am the fool
I found a monster in me when I lost my cool
It lives inside of me eating what's in its way
I put black spray paint on my windows during the day

I want to spend time with it, I think I'm losing it
Or I found it and I'm using it
I wear my shades at night so I can look in the abyss
I see something in nothingness if you could picture this

Put black holes in my jar lid
I'll climb the wall, I'm too high now, I'd die from the fall
Before the water is to our knees, we can't climb when
the trees
Wash away, you and I are the disease

I am a maniac
I am a maniac
I am a maniac
I am the maniac

I am the maniac
I am the maniac
I am the maniac
I am the maniac
