and i thought i loved you so
and i thought i loved you so
(?) the skinny jean wearing, 'fro for days in the O A A
(?) most fools couldn't (?)
and I guess you know me,
been in NY so long that got Tri-State
especially Brooklyn shout out to Damati's
my bloodline runs deep, unless I don't sleep
figure it's my pops keeping me awake
and to keep my mind off the clouds for reality
these mother fuckers can't fathom the wizardly
slow more brain that's backwards cowards
took a shower your attitude stinks
so wanna know what I think?

[Chorus]

Oh ohhh, oh,
hey my mojo so dope bitch
hey my mojo so dope
yep we live it, live it
yeh we on it, on it
give a fuck about your lifestyle,
give a fuck about a mother fucking lifestyle cause n-
gga
we, we live this shit
Oh ohhh, oh,
give a fuck about your lifestyle,
give a fuck about a mother fucking lifestyle cause n-
gga

I live through words not metaphors
so I passed to be the rest of the freshman
playful tough talk, talk
often (?) and said true things
a whole new legion of some n-ggas
aiming high (?)
praise Allah for keeping me awake man
I lot of my n-ggas fell victim to the dope game
some things will never be same
wish I could tell my brother something for some
motivation

and get him out that gutter
he's leaving behind a family and a mother
damn, you must understand when I speak about this
song its how I really am
yeah this is how I really think
you could see what I see, yes I really think
yes I really drink
I really do rage my demons at the cage
by most of the day before I really became the age to
even rage
I was drowning them sorrows with some more E n-gga

hey, we live this shit

[Chorus]

ya, oh oh ohhhh
give a fuck about your lifestyle
give a fuck about your lifestyle cause n-gga
we live this shit
oh ohhhh oh
give a fuck about your life style
give afuck about lifestyle cause n-gga
ya, oh ohhhhh oh
n-gga
on and on and on
on and on and on and on
