(Yawn)

Listen Good

I don't have nobody

But what I might feel are the sounds of sanity

Hoping what I hear, loops itself continuously

Then I won't be afraid

No No

[Chorus:]

Oh woah woah woah

Why must it feel so wrong when I try and do right, do right

Oh woah woah woah

Soaring through paradise when I'm closing my eyes

I'm, Mr. Solo Dolo

Oh Oh Oh

Oh Oh

Look at me

You tell me

Just what you see

Am I, someone whom, you may love, or enemy

Am I speakin' for, you and yours, or someone else

I need some answers

Yeah Yeah

[Chorus:]

Oh woah woah woah

Why must it feel so wrong when I try and do right, do right

Oh woah woah woah

Soaring through paradise when I'm closing my eyes

I'm, Mr. Solo Dolo

Oh Oh Oh

Oh Oh

My world turns

Flippin' the bird

To the ones who figure, me

Outkast no not the duo

Back at Shaker heights

When they knew

Though little brother was a strange one
Boo hoo
Cry me a river
Hey the look who
Try without an igloo
Cold cold world wasn't fit for me at, all
Look at where I stand at
Tall, Cutcha' my kid cudi bisohs
Mute mutha' fucka' back home
Quick pause
Gargle on my mayo
Look at me I bet I'm the one you think the feo
Floatin in my mind
No Sail
Ahoy
Ahoy

Listen Good
I don't need nobody
This is what you feel are the sounds of insanity
Hopin what I hear loops itself to finish me
No I wont be afraid
Hey Hey

[Chorus:]
Oh woh woah woah
Why must it feel so wrong when I try and do right, do
right
Oh woah woah woah
Soaring through paradise when I'm closing my eyes
I'm, Mr. Solo Dolo

Why must it feel so right when i know that its wrong, its
wrong
When will I ever learn from the words in my songs
I'm, Mr. Solo Dolo.
