i hate when it rains
all i really do is sit on my ass
thinking about the next scheme just to double my cash
if i ain't thinking about cash, nigga
i'm thinking about life
making a change, no winners do the same shit twice
rainy days are a pain just rest on my veins
can't go to sleep somebody's pressing on my window
pane
man, i swear i'm going catch em'
but maybe i'm trippin
i'm scarface: my mind's playing tricks on me
when it rains, shit, i just wanna know what dough is
it's the ? elemente, nigga come home
i get scared of the day when it's all gonna be gone
the spoken words to thoughts, never be speaking in
vain
is it the only way to ? is due to hard rain
i need to find a meaning to change
ask god if he feels my pain
please, won't you stop the rain?

rain clouds they forming
right around my father's homecoming
when his soul on this earth was summoned
i remember a white church
and my lips had a salty taste
from the tears running down my face
can't erase the hurt

my ? and my cousin passed through, was like work
sometimes i ? just to sit there and cry
