Cudi, yeah! Oh  
Yeah! Is Cudi!  
Welcome in the morning same â€¦ sameâ€¦  
.wishing up the rich life  
I roll when I â€¦  
Not knowing what the life or the day brings  
.the light shines bright when I canâ€™t see!  
If I do what I do to get through  
Then thatâ€™s what Iâ€™m doing!  
Pure focus when I â€¦  
Having. for some time now  
But wonâ€™t necessary lead me, Iâ€™m making  
Stuck in my wings, hope that better days come through  
crack  
Everything same thing, eat, sleep, shit, bath, shaking  
all myâ€¦  
.rapping the only thing cool, my mood.  
Should â€¦  
Living my life, better daysâ€¦  
The dry wall pillar, metaphors for my feelings  
Yeah, .a new life, no more drug dealing!

Chorus: (x2)

Let me shed a little light for my niggers in the dark  
Let me shed a new life for my niggers,  
On my niggers on the day when they grind  
Trying to live their dreams, just trying to get the  
scream!

When I was younger I told myself I wouldnâ€™t smoke  
That was the biggest joke  
Iâ€™m addicted to this sport like is pure coke  
Iâ€™m selling this journey out with no.  
â€¦I wanna go, nigger all I really know is that I make a  
move  
You know Iâ€™m truly something  
. getting older and I care about nothing  
All I need is aâ€¦ and that was my sixth.  
I grind with six sense, but I spend six years of rap  
Iâ€™m hungry, Chris, just make it happened  
â€¦ picture this  
Two bare rooms ofâ€¦

Finally to repair and the living room wasn't right  
Let em share a little light, I'mma crawl at the  
I'mma grind to the end 'till my life is

Chorus: (x2)

Let me shed a little light for my niggers in the dark  
Let me shed a new life for my niggers,  
On my niggers on the day when they grind  
Trying to live their dreams, just trying to get the  
scream!
