"Solo Dolo"

(Yawn)

Listen Good
I don't have nobody
But what I might feel all the sounds of sanity
Hoping what I hear, loops itself continuously
Then I won't be afraid
No No

[Chorus:]

Oh woah woah woah
Why must it feel so wrong when I try and do right, do
right
Oh woah woah woah
Soaring through paradise when I'm closing my eyes
I'm, Mr. Solo Dolo
Oh Oh Oh
Oh Oh

Look at me
You tell me
Just what you see
Am I, someone whom, you may love, or enemy
Am I spoken for, you and yours, or someone else
I need some answers
Yeah Yeah

[Chorus:]

Oh woah woah woah
Why must it feel so wrong when I try and do right, do
right
Oh woah woah woah
Soaring through paradise when I'm closing my eyes
I'm, Mr. Solo Dolo
Oh Oh Oh
Oh Oh

My world turns
Flippin the bird
To the ones who figure, me

Outkast no not the dou
Back at sicka hights
When they knew
Though little brother was a strange one
Boo hoo
Cry me a river
Hey the look who
Try without an igloo
Cold cold world wasn't fit for me at, oh
Look at where I stand at
Tall, Cutcha my kid cu di bisohs
Mute mutha fucka back home
Quick pause
Groggle on my mayo
Look at me I bet I'm the one you think the feo
Floatin in my mind
No Sayo
Ahoy
Ahoy

Listen Good
I don't need nobody
This is what you feel all the sounds of insanity
Hopin what I hear loops itself to finish me
No I won't be afraid
Hey Hey

[Chorus:]

Oh woh woah woah
Why must it feel so wrong when I try and do right, do
right
Oh woah woah woah
Soaring through paradise when I'm closing my eyes
I'm, Mr. Solo Dolo

Why must it feel so right when I know that it's wrong,
it's wrong
When will I ever learn from the words from my songs
I'm, Mr. Solo Dolo.
